Provider Benefits

- Complete lineup of Rechargeable, Signia Xperience BTEs with the **world's first rechargeable Super Power** for added patient convenience.
- **Smaller, sleek designs** from previous models for added comfort.
- **Advanced benefits** with Power and Super Power options.
 - Upgrade to the Dry&Clean charger to **keep hearing aids in top working conditions** and reduce appointments.
 - **Option T-Coil** for patients leveraging looping systems for enhanced listening.

- **Compact chargers with long-lasting wear time** to get up to 60+ hours of wear time on a single charge. Charger models and options vary by model type.

Key Features*

- Up to 61 hours of use on a single charge with SP, 30 hours for P and 24 hours for Standard (based on a full 4-hour charge)
- 30 minute quick charge for an average of 5 hours of use
- Automatic on/off functionality with charger
- Extended frequency range offers wearers a competitive edge over other BTEs
- Ultra HD e2e
- Remote Care Ready

Wearer Benefits

- Comfort and convenience without limits - **technology to support moderate, severe and profound hearing losses.**
- **Enhanced situational awareness** with adaptive technology that automatically adjusts to movements and changes around you.

Compatible with:

StreamLine TV™

StreamLine Mic™

miniPocket™

Signia App is equipped with with Signia

Face Mask Mode Improves audibility for those communicating with someone wearing a face mask - all with the touch of a button in the Signia App.
